13.2 Works Report – Acting Works Supervisor

Construction Crew

The construction crew have finished on the Beringarra-Pindar Road. De-mob should be finished by Monday 10th December. They will then install the new steps onto the old bridge section north

of the Ballinyoo Bridge. There is also a considerable amount of signage to be repaired or replaced around the Shire, mainly on the Carnarvon-Mullewa Road. If time allows the crew will also seal where the grid was removed about 25km south of the settlement on the Carnarvon-Mullewa Road. 18-20 December will be used to clean up and do some repairs and maintenance to plant and equipment.

Maintenance Crew

The maintenance crew have completed some blow out and pothole repairs on the Carnarvon-Mullewa Road from the north boundary to the settlement. The sooner the flood damage repairs get underway on this section the better. They then moved down to the south boundary on the Beringarra-Pindar Road and are grading north. They will continue north on the Beringarra-Pindar Road until they break for Christmas or clash with the flood damage crew from Robbro.

Dozer Contractor

Justin Rowe has completed the gravel stockpiling on the Carnarvon-Mullewa Road 3km north of the Mt Narryer intersection. He also cleared the causeway section through the Curbur Lake of regrowth within the road reserve. He will start the gravel pit rehabilitation on the Beringarra-Pindar Road on the 8th or 9th of December and hopefully have it completed by Friday 14th December.

Airstrip Reseal

The Airstrip reseal has been postponed until Monday 11 February 2019 as well as the 2 new grid approaches north and south of the settlement on the Carnarvon-Mullewa Road.

Flood Damage Works

The Acting Works Supervisor has paid visits to all three of our contractors. Works appear to be progressing satisfactorily with completed work having come up well.

Finally

I would like to thank all of the Shire staff for their input over the last year and wish the whole community a safe and relaxing Christmas.

(3) By 30 September following each financial year or such extended time as the Minister allows, a local government is to submit to its auditor —

18.1 Fuel Supply Contract

File:	4.53
Author:	Peter Dittrich - Chief Executive Officer
Interest Declared:	No interest to disclose
Date:	10 th December 2018
Attachments:	Nil

Matter for Consideration:

Consideration of the form and placement of a request for quote for the supply of fuel and oils to the Shire of Murchison for a period of two years from the 25th February 2019.

Background:

In February 2017, council awarded the contract for the supply of fuels and oils to the Murchison Shire to Oiltech, for a period of two years.

This contract is due to expire on the 25th February 2019.

Details of the Proposed Request for Quote are as follows:

**SHIRE OF MURCHISON
FUEL AND OIL SUPPLY TO SHIRE OF MURCHISON**

Request for Quote

Interested persons or parties are invited to submit a quote for the bulk supply and delivery of fuel (both diesel and unleaded) and/or oils to the Shire for a period of two years from the 25th February 2019.

The supply will include delivery to the Murchison Oasis Roadhouse, Shire Depot, Settlement Power Generator tank and two mobile fuel trailers that could be located at road work jobs within the Shire. There may be additional opportunities for the supplier to deliver to stations and properties within the shire, by negotiation with the property owner.

Quotes need to include proposed pricing structure in the required format and delivery schedules. The format required is terminal gate price (TGP) plus a specified additional number of cents per litre to give a delivered price to the Shire. As part of their deliberations, Council will also consider the proposed price to deliver fuel to other customers within the Shire and so interested parties should include that price separately in their submission. All prices are to be quoted ex GST.

For further information contact the CEO, Peter Dittrich, on 08 9963 7999.

The required pricing proforma is attached to this request.

Quotes may be submitted by email to tenderbox@murchison.wa.gov.au before the closing time of 4:00 pm Monday 30th January 2019.

Council is not bound to accept the lowest quote and may reject any or all quotes. Canvassing of Councillors will disqualify respondents.

Comment:

Previously a Request for Quote was posted to WALGA E-Quotes. If the WALGA Vendor panel was to be used the list of bulk fuel suppliers is limited to the following:

Armadillo Group
BP Australia
Caltex Australia
Castrol Lubricants Pty Ltd
Liberty Oil
Oil & Energy Pty Ltd
Park Pty Ltd
Puma Energy (Australia) Holdings Pty Ltd
Refuelling Solutions (Maxi-Tankers & Mini-Tankers)
Royal Precision Lubricants
United Petroleum Pty LTD
Valvoline

This may exclude some local suppliers. It is therefore proposed that the request for quotation be placed in "The West Australian".

Suppliers will be requested to provide the details as outlined in the table below as well as a minimum order quantity if applicable.

18.2 Local Emergency Management Committee Members

File:	4.70
Author:	Peter Dittrich – Chief Executive Officer
Interest Declared:	No interest to disclose
Date:	10 th December 2018

Matter for Consideration:

Council to determine the membership of the Local Emergency Management Committees.

Background:

A local government is required to establish a Local Emergency Management Committee under section 38 of the Emergency Management Act 2005.

Comment:

Over the past 3 years there have been a number of LEMC meetings where a quorum was not available. This is in part due to the remote location of the shire and the distances that members are required to travel to attend meetings. The current membership of the committee numbers 15 with a quorum of 8.

It is proposed that the membership of the committee be reduced to the Shire of Murchison, Emergency Services, and representatives of the community. The membership would be reduced to 10 with a quorum of 5.

The LEMC met on the 4th December 2018 and the following membership was proposed:

- A Shire Councillor
- The Shire CEO
- A Shire Officer
- WAPOL(One Position)
- DFES(One Position)
- Department of Biodiversity Conservation and Attractions - DBCA(One Position)
- CSIRO(One Position)
- CESM
- Industry/Community Rep(One Position)
- Indigenous Rep /PIA(One Position)

If Council accept the membership recommendation the CESM will forward the necessary documents to the District and State Emergency Management Committees for ratification.

Statutory Environment:

Emergency Management Act 2005

38. *Local emergency management committees*

(1) *A local government is to establish one or more local emergency management committees for the local government's district.*

(2) *If more than one local emergency management committee is established, the local government is to specify the area in respect of which the committee is to exercise its functions.*

Comment:

The 2017-18 Annual Report has been prepared according to section 5.53 of the Local Government Act. The Independent Auditors Report is included in the Annual Financial Report.
