Ancient land under brilliant skies

Plant Operator

The Murchison Shire offers a unique lifestyle based in the outback with the benefit of belonging to a small community. The hub of the Shire is based at the Murchison Settlement, home to employees, their families and the Murchison Oasis Roadhouse.

If you can see yourself joining this select group, the Shire is seeking an experienced Plant Operator to join its works crew. A current white card and MC licence is essential as is experience in operating heavy machinery together with a healthy respect for and knowledge of current OS & H legislation. Most of the work will involve plant operation and associated road maintenance. The position offers an attractive salary package including housing, water and power free of charge. Salary will be negotiated with the successful candidate. Camping out is a requirement – 80% of the year's work will involve camping on site (Monday – Saturday week one, and Monday- Thursday week two). Daily allowance paid for camping.

A position description with further details is available on Council's website www.murchison.wa.gov.au, or email admin@murchison.wa.gov.au. For more information regarding the position contact the Works Supervisor, William Herold, on 9961 3805 or the Shire office on 9963 7999.

Applications addressed to the Chief Executive Officer can be emailed to ceo@murchison.wa.gov.au or posted to PO Box 61 Mullewa WA 6630. Applications must be received by 4.00 pm Monday 5th October 2020.

Bill Boehm
Chief Executive Officer
