### 3.1 Election of President

File: 4.1  
Author: Bill Boehm – Chief Executive Officer  
Interest Declared: No interest to disclose  
Date: 18 October 2023  
Attachments: 3.1.1 LGA Schedule 2.3 - Division 1 - President Elections  
*Note President Nomination Form sent out to councillors with Agenda*

Matter for Consideration:

A President is to be elected from within Council for a two-year term of office expiring in October 2025.

Background

The Local Government Act prescribes that Council is to elect a President as the first matter dealt with at the first meeting of Council after an ordinary election's day.

Comment

Nominations are to be lodged in writing to the CEO, indicating consent of the nominee, prior to or at the Meeting. *(President Nomination Form sent out to councillors with Agenda).*

Councillors will cast their vote by secret ballot, votes will be counted, and the CEO will declare the results. If there is equality of votes between 2 or more candidates, then the meeting is to be adjourned for not more than

seven days. Nominations may be withdrawn, or further nominations may be made before or when the meeting resumes. If the second round of voting results in a tie, then the CEO is to draw lots in accordance with regulations to determine which candidate is elected.

Statutory Environment:

*LGA Schedule 2.3 Division 1. Copy is attached.*

Nominations Received

Nomination from Cr R Foulkes-Taylor

**Result of Election**

Cr R Foulkes-Taylor as duly elected.

**Declaration of Office**

*The successful councillor was required to complete the Form 7 under the Local Government (Constitution) Regulations as well as this declaration being verbally undertaken before an Authorised Person pursuant as outlined in Schedule 2 of the Oaths, Affidavits and Statutory Declarations Act 2005 prior to taking Office. This was duly undertaken before the Chief Executive Officer and Council at the meeting.*

*Note Deputy President Nomination Form sent out to councillors with Agenda*

Matter for Consideration:

The Deputy President is to be elected from within Council for a two-year term of office expiring in October 2025.

Background

The Local Government Act prescribes that Council is to elect a Deputy President as the next matter dealt with after the election of a President at the first meeting of Council after an ordinary elections day.

Comment

Nominations are to be lodged in writing to the CEO, indicating consent of the nominee, prior to or at the Meeting (*Deputy President Nomination Form sent out to councillors with Agenda*).

Councillors will cast their vote by secret ballot, votes will be counted and the CEO will declare the results. If there is equality of votes between 2 or more candidates, then the meeting is to be adjourned for not more than seven days. Nominations may be withdrawn or further nominations may be made before or when the meeting resumes. #### Matter for Consideration

It has been customary practice in the interests of a productive meeting in relation to the Conduct of Members during debates for the Council suspend Standing Orders 8.2 (Limitation on Number of speeches) and 8.3 (Duration of Speeches) under Local Law 2001. To facilitate this, the following recommended resolution is required.

#### **Recommendation**

That the following Local Law-Standing Orders 2001 be stood down:

8.2 Limitation on the number of speeches

8.3 Duration of speeches

Undertook a number of catch-up telephone discussions regarding operational matters with the CEO.

*MRWA Murchison Subgroup Meeting*

18 October 2023 attended and chaired via phone link up a meeting of the MRWA Murchison Subgroup at Sandstone. Prime purpose of the meeting was to consider and accept a report from the Technical Working Group regarding 2024/25 MRWA Road Funding Applications. Meeting was productive with issues raised in general business concerning spillage of materials from mining related trucking movements and truck parking in and around Mt Magnet.

*Murchison GeoRegion Project Working Group General Meeting Report*

Mt Magnet Council Chambers, 24.10.23

9.45am-12noon

Attendances- Cr.Beth Walton (Sandstone), Cr. Judy Holden (Meekatharra), Svenja Clare (Meekatharra) (both online), CEO Richard Towell (Cue), CEO Ian Holland (Yalgoo), CEO Tralee Cable (Mt Magnet), Chair-Cr Emma Foulkes-Taylor (Murchison), Project Officer Karen Morrissey.

Apology- CEO Gary Gaffney (Wiluna)

Meeting confirmed that the group will meet on the first Tuesday of every month online for no more than one hour. Will invite our partners/interested parties two or three times a year/when required.

Preliminary discussion around the incorporation of MGR. PO has prepared a draft constitution for the group to consider before the Dec 5 meeting in preparation to taking the proposal back to each council early in 2024. The ultimate intention is that MGR will be an independent body with a representative from each Murchison Shire (including Wiluna) on the board. CEO Mt Magnet to arrange all documents to be available on Google Docs.

Geosite update- PO to revisit and update the Geosites with each shire. Murchison Shire to consider what else might be included in the Murchison Geo Trail. While the project started with geological sites it is now considered important that we look at man-made and cultural sites eg our cemetery (trap door spiders) and museum. Signage of the Geosites also needs to be addressed by most shires.

Discussion about a coordinated event calendar whereby each shire promotes events under the MGR brand. Also encourage tourism businesses to join in to this. For example, if Wooleen wanted to do a Long Table Dinner it could be promoted as Wooleen Station, Murchison GeoRegion Ancient Lands Brilliant Skies Long Table Dinner. This would need to be endorsed by the MGR PWG/board.

Discussion about the need to engage more with local businesses and community. If the MGR and future Geo Parks are to be successful we need to get everyone on board and excited about it.

I encourage the shire to keep the MGR in mind when doing any signage, promotion or events in future.

Cr Q Fowler

Cr Q Fowler highlighted a recent meeting with a person that had experience setting up and implementing "Containers for Change" indicating the potential large costs and pitfalls with respect to some of the containerised options that have been practiced.

#### Construction Crew

The construction crew continue to progress steadily with the section adjacent to the Billabalong airstrip. There is a considerable amount of calcrete to remove from the pavement and cart away which is unfortunately time consuming in spite of it being a short turn around to the old pit. The lead on the gravel is also getting longer and will continue to do so for some time. Commencing on Monday 30 October I will be busy with Heritage matters which I hope will give us access to material closer to our work sites going forward once the necessary clearing permits have been obtained.

#### Maintenance

Unfortunately, one of our stand-in operators has moved on which has slowed progress up somewhat. The remaining grader will continue with the planned program of moving south along the Carnarvon-Mullewa Rd and picking up the Byro-Woodleigh Rd, Muggon Rd and Butchers Track. By the time council meets I anticipate this machine will be on the Muggon Rd. before moving over to the Beringarra-Pindar Rd. to catch up with some of the SKA route maintenance. In the meantime, this maintenance will be picked up by contractors doing upgrade works along this route.

At the meeting the Works Manager advised that Muggon Rd programmed works had been skipped with the crew diverted to works on the SKA Route around Boolardy Station.

#### Stabilising and Sealing

Due to the short time available between now and December and after discussions with the CEO we propose to move this to the New Year. In doing so we will also have a greater length of road to complete, saving on at least one mobe/de-mobe as well as avoiding the pre-Christmas rush and risk of breakdowns not being able to be repaired. The RFQ's closed at 2.00pm on Monday 16.10.2023 and are under consideration. An update will be provided to Council at the meeting on 26.10 2023.

#### SKA Route Upgrade Works

Both Walladar and Squires Resources continue to progress with these works which will be a vast improvement to the troublesome sections of the route. There will also be a considerable amount of maintenance work being done by both for the foreseeable future.

#### **Recommendation**

That Council resolve that the Works Report be noted.

## 20 DEVELOPMENT

### 20.1 Murchison Placemaking

File:	10.6
Author:	Bill Boehm – Chief Executive Officer
Interest Declared:	No interest to disclose
Date	20 October 2023
Attachments:	19.1.1 DLGSC Placemaking Presentation 19.1.2 Main Flyer – Placemaking Education Course Menu for WA Local Govts 19.1.3 Town Team Convergence Conference Program

#### Matter for Consideration

A placemaking approach to development of the Shire and Training Opportunities available to assist.

#### Background

On 5 October 2023 I attend Local Government Placemaking Presentation via TEAMS organised by the Department of Local Government, Sport and Cultural Industries (DLGSC). The following day I followed up various aspects with Department Officer's.

From what was presented and discussed DLGSC are endeavouring to building the capacity of all WA local governments to be placemakers, helping to create stronger communities and better places.

Placemaking is a collaborative process that encourages local governments and external stakeholders including residents, businesses, community groups and government agencies to work together to make spaces more comfortable, accessible, active and attractive.

Most importantly, through the collaborative nature of placemaking, it enables the community to feel connected to the space and want to be there. This results in improved safety, improved physical and mental health, increased visitations to the area and local businesses, and the community having sense of ownership over the space.

DLGSC has engaged Town Team Movement to deliver free placemaking training for the whole local government sector in WA. This involves 22,000 employees and 1200+ elected members.

Attached is an outline a webinar the program that I recently attended online plus details of training provided.

#### Comment

From discussions with Department Officers, it seems that this initiative is strongly supported by the Minister for Local Government as well at department head and at senior director level. This shows in the commitment to provide training for the sector for a 12-month period.

This approach is enlightening and one that fits neatly into the redevelopment of the Murchison Settlement but is not just confined to the Settlement but indeed has application for the broader Shire. It's an opportunity not to be missed and one that I, like the DLGSC see is essential.

It is for this reason that I am attending the Town Convergence Conference in Joondalup on 27 and 28 October 2023 (copy of program attached) and why our Senior Works Finance and Admin Officer is also attending (*Note our Works Manager was unable to attend owing to work commitments locally*). It also why I intend having this online placemaking training undertaken by staff and the term placemaking is included in draft Terms of Reference for the Settlement Redevelopment Working Group and Museum Working Group, which is addressed in Agenda Item 20.1

For this approach to be successful all need to play a part. Councillor leadership is essential. The training offered should ideally be taken up. Unlike mandatory local government training, which could be viewed much like chewing chaff, this should have a more positive feel with broader application. There may also be application to other community members. The recommendation below picks up on this aspect.

Consultation

DLGSC

**Recommendation**

That Council note the Chief Executive Officers Murchison Placemaking Report including the recommendation for elected members to undertake Placemaking Training as offered by the Department of Local Government, Sport and Cultural Industries.

## 21 ADMINISTRATION

---

### 21.1 Committees Working Groups & Outside Organisations Operation

File:	14.24
Author:	Bill Boehm – Chief Executive Officer
Interest Declared:	No interest to disclose
Date	20 October 2023
Attachments:	20.1.1 Policy 1.3 Committees and Working Groups 20.1.2 Membership of Current Committees, Working Groups and Other Organisations 20.1.3 Terms of Reference for each Committee 20.1.4 Terms of Reference for each Current Working Group 20.1.5 Draft Terms of Reference for the Settlement Redevelopment Working Group and Museum Working Group.

#### Matter for Consideration

Pursuant to the *Local Government Act 1995* Council is to determine the membership of all Committees following the day of Ordinary Elections (21 October 2023).

It has also been past practice that the opportunity is taken for the renewal of membership for those groups that have been established as Working Groups that provide advice to the CEO and to appoint delegates of other organisations that Council is involved in.

At this time, it would also be prudent to also review the current Terms of Reference for each Working Group or Committee.

Policy 1.3 Committees and Working Groups, which outlines current requirements, rationale and practice is attached. A copy of the Membership of current Committees, Working Groups and Other Organisations is attached as is the existing Terms of Reference for each current Committee / Working Group as applicable.

#### Committees

A local government may establish committees of 3 or more persons to assist the Council and to exercise the powers and discharge the duties of the local government that can be delegated to committees.

Committees are to report to Council and provide appropriate advice and recommendations on matters relevant to their terms of reference in order to facilitate informed decision-making by Council in relation to the legislative functions and duties of the local government that have not been delegated to the CEO.

At any given time, each Councillor is entitled to be a member of at least one committee and if a Councillor nominates himself or herself to be a member of such a committee or committees, Council is to include that Councillor in the persons appointed to at least one of those committees, as the Council so decides.

If at a meeting of the Council, a local government is to make an appointment to a committee that has or could have a Councillor as a Member and the President informs the local government of his wish to be a member of the committee, the local government is to appoint the President to be a member of the committee.

If at a meeting of the council a local government is to make an appointment to a committee that has or will have an employee as a member and the CEO informs the local government of his or her wish —

- (a) to be a member of the committee; or
- (b) that a representative of the CEO be a member of the committee,

the local government is to appoint the CEO or the CEO's representative, as the case may be, to be a member of the committee.

An absolute majority of Council is required to appoint each member to a committee.

Where a Councillor is appointed as a member of a committee, the Councillor's membership of the committee continues until:

- (a) the Councillor no longer holds the office of Councillor.
- (b) the Councillor resigns from membership of the committee.
- (c) the committee is disbanded; or
- (d) the next ordinary elections day,

whichever occurs first.

The members of each committee are to elect a presiding member from among themselves in accordance with the Act. The members of a committee may elect a deputy presiding member among themselves, but any such election is to be in accordance with the Act.

At the current time Council has one such committee being the Murchison Community Fund Management Committee. Its main purpose is to manage written applications of request for financial assistance from community members and community groups.

#### Working Groups

Working Groups are essentially established to make recommendations to the CEO for presentation to Council. As such that are not formal committees under the *Local Government Act 1995*.

Members are to be appointed having due regard for their particular skills and expertise in the area of interest for which the Working Group has been formed. Community Positions have historically been advertised. If there are more Community applicants than positions, then Council will decide the successful applicant(s), usually at the December Ordinary Council Meeting, having due regard for their particular skills and expertise.

I have reviewed the allocation of staff members and made minor suggested changes from the previous list as per the recommendation below.

#### Delegates

Delegate positions are those that Council is required to appoint as representatives on other organisations.

#### Comments

From my perspective the current operation of Committees and Working Groups has worked well even if the meeting frequency may be less than desirable, a situation brought about more by lack of time and human resources than any lack of intent.

At the October 2019 Council Meeting the Community Development Working Group and Economic Development Working Group was disbanded with these functions incorporated into the Settlement Redevelopment Working Group which was formed in 2020 to oversee work on the Murchison Settlement Masterplan.

In the ordinary course of events the terms of Reference for each Committee and Group should also be reviewed. The terms of Reference of the Settlement Redevelopment Working Group has thus far not been formally undertaken so this should also be done. A draft is attached for consideration.

During 2023 there has been some informal discussion and elected member level about the need to have a more formal process to oversee operations of the Museum by a new separate Working Group. Options for appointment are included in the recommendation below. Draft Terms of Reference is also attached for consideration.

Apart from matters as listed above no changes are proposed for other Working Groups, although the need to have a separate Information Bay Working Group who has yet to meet may be questioned given recent suggestions from Cr G Mead which feeds into a broader tourism signage project.

Over the past few years former Shire President R Foulkes Taylor has been Council's delegate on the Murchison Regional Road Group and is the current chair and as a consequence was subsequently appointed by that group to be a proxy representative on the Mid-West Regional Road Group. As CEO I have also been appointed to the Technical Reference Group. Understanding and contributing on these Forums is essential especially given our strong roads-based focus. One committed councillor representative is advantageous.

#### **Recommendation**

- 1 That Council adopt the Terms of Reference for the Settlement Redevelopment Working Group and Museum Working Group
- 2 That for each Committee, Working Group and Organisation as listed, that Council endorses the listing of staff and community positions and appointments for member positions and if required makes minor changes to the Respective Terms of Reference to reflect any positional changes.

*Note that Council will need to determine from its ranks the relevant member appointments as part of a final resolution,*

### 17.2 CSIRO Road Access Route

Following a general discussion on the current state of the SKA Route and general access route undertaken as a follow on from Item 17.1 Works Report the following motions were proposed, discussed and passed.

#### Council Decision

**Moved: Cr** M Fowler

**Seconded: Cr** A Whitmarsh

That Council resolve as follows.

- 1 That Council commence discussions with CSIRO over the contribution for maintenance of the Beringarra-Pindar Road with a view to having the previous agreement updated to reflect changes in circumstances that has resulted following the commencement of the SKA Project
- 2 That Council write to CSIRO to request that CSIRO implement through its operational and contract practices requirements to ensure that all vehicles with a GVM > 4.5 tonne, not required to service properties south of Boolardy Station within the Murchison Shire, that are accessing CSIRO operations do so via the SKA Route rather than the Beringarra -Pindar Road
